Hello, my name is Aniyla Byrd and I'm a Freshman at Central High School. My priorities are God, family, academics and softball I strive to be an amazing student athlete, while still giving back to individuals in need by leading fundraisers for patients in the hospital. My goals are to attend a 4-year college, play softball at the collegiate level and pursue a degree in healthcare. I love helping people and I'm a firm believer that hard work and dedication pays off. I am extremely thankful for every opportunity that I have been blessed with.
