Dear Sir/Ma'am:

We are a competitive Junior Olympic Travel "A" softball program for female athletes. Our 14U team is comprised of athletes with unapparelled dedication who were selected after competitive try outs. After a fall season that produced championships in Central, Northern and Southern California, along with an undefeated season, we have high goals for the 2019 season. The girls are working tirelessly to compete at a high level, not just in the state, but in the nation. We plan to travel throughout California and beyond to compete against the most talented and competitive softball organizations and have already been invited to the Colorado Sparkler Power Pools and PGF Premier Nationals. The experiences undoubtedly will provide the girls with individual growth, life lessons in competition and teamwork that they will not receive elsewhere.

To help us reach the girls lofty goals, we are asking you to sponsor the girls and team in an effort to help defray costs of uniforms, equipment and travel for the 2019 season. Your support and sponsorship will tremendously impact the girls' opportunity to achieve their goals. All money donated goes directly towards our athletes.

Thank you in advance for your support. Please keep a copy of this form as your receipt. If you have any questions, please contact me at (850) 274-0853
