Hello, my name is Alexia Elaine Rolin, and I will be heading into my freshman year at Stockdale High School in Bakersfield, CA. My priorities are academics, softball, family and God. I'm very thankful for the opportunities and leadership that have been placed in and throughout my life so that I may grow not only in softball; but also to reach my future scholarly goals that I have dreamed to achieve. My goal is to lead and be successful after college to make a name and place for myself and to positively contribute to our society to touch lives as my leaders, coaches and mentors have profoundly touched mine.
