**Ryan Maddox #6**

*My name is Ryan Maddox and I am entering into my Freshman year. I believe that talent without work is wasted potential, so I give my all to everything I love. I work hard to be a good student, teammate, and person. Playing softball is a privilege, and I am thankful for the opportunity to play it at a high level with my team. My goals include continuing to play softball at a high level in college and getting a good education.*
